Transforming Lives & Communities

This first Sunday of Lent, we remember the 40 days Jesus was in the wilderness being tempted by Satan.

Temptation is a strategy Satan uses to knock us down and pull us away from God.

Jesus shows us how to handle temptations, using the scriptures.

Through drawing close to God and knowing the scriptures, we can handle times of testing.

Remember these words in 1 Corinthians 10:13 (NLT – edited)

'Your temptations are no different from what others experience. God is faithful and enables us to stand against temptation. We you are tempted, He will help you endure and triumph.'

This Lenten season, look inward and prepare your heart and mind for the blessings of Easter.
