Transforming Lives & Communities

Next Sunday we welcome Sharon Garlough Brown to our 10am Service

When asked who she is her reply is "First and foremost I am a beloved child of God. That's the identity we all share." She is also an award-winning author, Spiritual Director, retreat leader and international speaker.

Sharon was born in California; attending both Smith College and Princeton Theological Seminary. Together with her husband Jack they have served in churches in Scotland, England and the USA. She says "I love all things British. I love to write especially with a cup of tea! My hope when I wrote Sensible Shoes was that readers would encounter God in the pages and long for a deeper life with Him. I especially hoped that readers would take the journey with others in community".

This has proved true, her books being immensely popular across age groups and gender (available from the Tauranga library and Sonshine Bookshop).

Bring a friend and an open heart to church next week!

Mother's
Day*

Happy Mothers' Day to All Mothers

Elizabeth and Mary were about their normal lives when the Lord sent a messenger and life would never be the same, for either of them, again. Elizabeth presented to the world, in her latter years, the first prophet to Israel in 400 years and Mary gave us the Messiah of the world. So then, what can we as a Community Church learn from these two mothers, on the day we celebrate mothers? When we look at these two women I see four outstanding features of their lives: -

1. Their bodies were a temple of the Holy Spirit resulting in their entire being, being as an act of worship.
2. They were, as are we, a creation of great significance to the Lord and worthy of His salvation.
3. They were, as are we, created for a purpose. We need to find that purpose.
4. We are all created to know and enjoy Him for ever.
